

Sweet Blood

Sarah E. Stumbar, MD, MPH

(Fam Med. 2020;52(1):67.)

doi: 10.22454/FamMed.2020.942037

Your blood is not too sweet anymore!
I hear her smile through the phone
She asks me how the numbers compare to last time
It's not often I get to share results that are
better
Her joy quietly transforms into laughter
I smile, too
Small celebrations, interrupted
I put down the phone
Another patient
waits

ACKNOWLEDGMENT: This poem received Honorable Mention in the 55-Word Story/Other category at the STFM Poetry and Prose Contest in Toronto, Ontario, Canada, April 27, 2019.
