## Appendix A: Hepatitis C resident survey

Question	Response
How many patients have you personally treated for hepatitis C? By treated, we mean you have prescribed treatment.	0
	1
	2-3
	3-4
	5 or more
BEFORE residency, how confident were you at treating patients for hepatitis C?	Not confident at all
	Not so confident
	Somewhat confident
	Very confident
NOW, how confident are you at treating hepatitis C?	Extremely confident
	Not confident at all
	Not so confident
	Somewhat confident
For hepatitis C patients, how confident are you at...	Very confident
	Extremely confident
	Not confident at all
	Not so confident
Ordering pre-treatment lab work?	Somewhat confident
	Very confident
	Extremely confident
	Not confident at all
Ordering pre-treatment screenings?	Not so confident
	Somewhat confident
	Very confident
	Extremely confident
Selecting a medication?	Not confident at all
	Not so confident
	Somewhat confident
	Very confident
Navigating drug interactions?	Extremely confident
	Not confident at all
	Not so confident
	Somewhat confident
Navigating side effects?	Very confident
	Extremely confident
	Not confident at all
	Not so confident
	Somewhat confident
	Very confident
	Extremely confident

	Extremely confident
Appropriately vaccinating for hepatitis A and B?	Not confident at all
	Not so confident
	Somewhat confident
	Very confident
	Extremely confident
Ordering lab work during treatment?	Not confident at all
	Not so confident
	Somewhat confident
	Very confident
	Extremely confident
Ordering lab work after treatment?	Not confident at all
	Not so confident
	Somewhat confident
	Very confident
	Extremely confident
What educational interventions were effective at preparing you to treat hepatitis C (May select more than 1 option)	Lectures on hepatitis C
	Hepatitis C teleconference with ID physicians
	Hepatitis C worksheet
	Pharmacist in practice
	Pharmacist-driven case management/medication monitoring
	None of these
	Other (please specify)
What educational intervention was the MOST effective at preparing you to treat hepatitis C?	Lectures on hepatitis C
	Hepatitis C teleconference with ID physicians
	Hepatitis C worksheet
	Pharmacist in practice
	Pharmacist-driven case management/medication monitoring
	None of these
	Other (please specify)
Do you utilize the AASLD/IDSA hepatitis C guidelines?	Yes
	I know they exist, but haven't used them
	No
If yes, are the guidelines easy to navigate?	Strongly agree
	Agree
	Neither agree nor disagree
	Disagree
	Strongly disagree
	N/A- I've never used them
Graduates, do you currently treat patients for hepatitis C?	Yes
	No
	Unsure

	N/A
Residents, do you plan to treat patients for hepatitis C after residency	Yes
	No
	Unsure
	N/A
Please select your level of training	PGY1
	PGY2
	PGY3
	Graduate/Attending physician
