

# Family Medicine

THE OFFICIAL JOURNAL OF THE SOCIETY OF TEACHERS OF FAMILY MEDICINE

Appendix. Questions Used for the CERA Program Directors Survey (2013 and 2019).

Question	Options
Please describe the type of residency program you direct:	University-Based Community-Based, University-Affiliated Community-Based, Non-Affiliated Military Other (please specify)
In what state is your residency program located? (This information was aggregated into regions by CERA.)	New England (NH, MA, ME, VT, RI, or CT) Middle Atlantic (NY, PA, or NJ) South Atlantic (PR, FL, GA, SC, NC, VA, DC, WV, DE, or MD) East South Central (KY, TN, MS, or AL) East North Central (WI, MI, OH, IN, or IL) West South Central (OK, AR, LA, or TX) West North Central (ND, MN, SD, IA, NE, KS, or MO) Mountain (MT, ID, WY, NV, UT, AZ, CO, or NM) Pacific (WA, OR, CA, AK, or HI)
What is the approximate size of the community in which your program is located?	Less than 30,000 30,000 to 74,999 75,000 to 149,000 150,000 to 499,999 500,000 to 1 million More than 1 million
What proportion of the current residents in your program are graduates of non-U.S. medical schools?	0-24% 25-49% 50-74% 75-100% Don't know
At your program, what percent of resident-attended vaginal deliveries are supervised by a family physician?	0% 1 - 20% 21 - 40% 41 - 60% 61 - 80% > 80%
At your program, how many continuity deliveries does an average resident conduct prior to graduation?	0 - 9 10 - 20 > 20

At your program, how many vaginal deliveries does an average resident conduct prior to graduation?	<p>&lt; 40</p> <p>41 - 60</p> <p>61 - 80</p> <p>81 - 100</p> <p>&gt; 100</p>
Please select the number that best describes the degree of independence expected of family medicine residents during an average obstetrics rotation at your program.	<p>Scale 0 to 10</p> <p>0 = Attendings dictate and carry out management plans while residents observe</p> <p>5 = Attendings suggest management plans while residents carry out plans with attending guidance</p> <p>10 = Residents independently propose and carry out management plans with attending involvement only when necessary.</p>
On the scale below, please rate the priority your program places on assuring resident involvement in continuity deliveries.	<p>Scale 0 to 10</p> <p>0 = Not a priority</p> <p>5 = Neutral</p> <p>10 = Extremely high priority</p>
In the past 5 years, what percent of graduates from your program have continued to conduct routine vaginal deliveries?	<p>&lt; 10%</p> <p>11 - 25%</p> <p>26 - 50%</p> <p>51 - 75%</p> <p>&gt; 75%</p>
In the past 5 years how many graduates have entered a fellowship in Obstetrics or Maternal Child health?	Numerical answer
Is there an OB or maternal child health fellowship available to family physicians at your institution?	<p>Yes</p> <p>No</p>
