

Family Medicine

THE OFFICIAL JOURNAL OF THE SOCIETY OF TEACHERS OF FAMILY MEDICINE

Appendix 1. Additional Detail on Morgantown and Charleston Campuses

- **Morgantown:** The WVU Family Medicine Department on the Morgantown campus is the largest in the state. There are approximately 30 clinical faculty and 19 residents. Each academic year, approximately 65 third-year medical students complete the Family Medicine Clerkship. Morgantown is the third-largest city in WV with a population of 30,000 residents.
- **Charleston:** The WVU Family Medicine Department is one of six WVU departments on the Charleston regional clinical campus. There are 7 core clinical faculty and 18 residents. Each academic year, approximately 40 third-year medical students complete the Family Medicine Clerkship. Charleston is the capital and the largest city in the state with approximately 48,000 residents.
